Description

We are pleased to present this fantastic 2 bedroom 1 bathroom detached Villa in a quiet area of La Florida. This property has had a lot of improvement, natural gas and fibre optics have been installed, the front garden has been raised to the same level as the house with a lot of storage underneath. A storage shed has been built onto the side of the house and another storage cupboard with utility room next to it. We then have the roof solarium with conservatory and retractable sunblinds. As we enter the property you'll notice aircon has been fitted throughout, we have an open-plan living/dining room, independant kitchen, renovated bathroom fitted with walk-in shower and then we have 2 double bedrooms both with fitted wardrobes. Also on the same street we have the massive modern communal swimming pool. This property is very close to amenities with Via Park III at the end of the road, the many blue flag beaches just 5 minutes by car and all championship golf courses are no more than 15 minute drive.
