Description

This is a beautiful 3 bedroom 2 bathroom detached Villa with seaviews in Villamartin. This property has been renovated throughout, it's been completely retiled, the big kitchen has been moved into its own independant room opening up a large living/dining room. We then have the ground floor bathroom with walkin shower, and the ground floor double bedroom with fitted wardrobes. As we go upstairs you can't fail to notice the lovely re-marbled staircase. On the 1st floor we have the family bathroom refitted with Jacuzzi bathtub, 2 double bedrooms both with fitted wardrobes and the master bedroom having access to the roof solarium. This property has lovely big garden, having a private terrace and BBQ area, driveway with wooden gazebo and there's enough room for a big private pool. This is only 5 minutes walk from local amenities, 5 minute drive from the many blue flag beaches and within 10 minutes drive from many championship golf courses. This property must ben viewed to be truely appreciated.
