A beautiful development of ground floor and top floor apartments on the edge of town in Pilar de la Horadada, Costa Blanca South. Pilar is a lovely town located not far from the coast and also within easy reach of the Mar Menor. The area is all flat which makes it perfect for walking or cycling. The development is located within a 5 minutes walk to the town centre. This new urbanisation of 36 homes has allocated parking spaces per apartment, as well as communal landscaped green areas and of course a spacious swimming pool. You can choose a ground floor apartment with a private garden or a first floor penthouse with a private roof terrace. Pilar de la Horadada is very centrally located on the Costa Blanca South, with the sandy beaches with blue flag of Torre de la Horadada. Bars, restaurants, shops and supermarkets within walking distance. These properties are very easily accessible from Corvera airport (20 minutes) and Alicante airport (45 minutes).
