These key ready apartments are located in the center of Torrevieja, the development has a total of 137 apartments with 1, 2 and 3 bedrooms spread over 3 floors, ground floor, first floor and penthouse. The latter comes includes a solarium, swimming pool, large private gardens and underground garage. All of the properties are finished to the highest of standards, as can be appreciated when looking at the patios, terraces, solarium and double orientation, which gives them a great amount of light. The location of this development is amazing too, as it is close to all of your necessary amenities such as supermarkets, cafes, restaurants, medical centre, commercial centre, promenade, port and most importantly just 700m from the beach del Cura, one of the best beaches on the coast of Torrevieja. For phase IV the developer is now offering the apartments with air conditioning already installed, a furniture pack included in the price, all white goods, curtains, interior and exterior lights plus fully fitted bathrooms. Don't miss your chance to own a beautiful new apartment for a moderate price on the Costa Blanca.
