The house has a built area of 188.92 m² over 2 floors and a roof terrace. On the bottom floor, you have a big fully fitted kitchen with a breakfast bar, 1 bathroom which is also used as a utility room/storage room, another storage room next to the stairs and a large living room/dining room with a log burner and big windows which bring in lots of light. On the second floor, you have the master bedroom with an en-suite, 2 double bedrooms (1 of which has a shower) and a family bathroom. The landing on the second floor has a big wardrobe for more storage as well. The roof terrace is split into 2 sides, one side has a BBQ and covered seating area with some spectacular views of the countryside and the other side has a storage room and a jacuzzi again with amazing views. The property benefits from mains water and electricity, air con in all of the bedrooms and the living room, a log burner in the living room for when it gets chilly in winter, TV, internet and a great location not far from town.
