Location, location, location! Very often this is the deciding factor when choosing the property of your dreams and is followed closely by price. In this case we believe both these factors are on offer. This property is overlooking La Marquesa golf course and is within easy reach of all amenities you could ever need. Accommodation is offered over two floors with a lounge, kitchen, two bedrooms and bathroom on the ground floor as well as a good sized terrace which boasts wonderful, panoramic views. On lower floor we have a further bedroom, bathroom and a large lounge. The property has separate access to both floors and overlooks the communal pool.
