This is an immaculately presented, townhouse located in the sought after location of Jacarilla.

The house benefits from 3 double bedrooms, 2 bathrooms with Huge garage.

The house is beautiful and sold part furnished including all white goods.

Jacarilla is a charming location with a palace, palace gardens, a beautiful church, doctors surgery, schools, numerous tapas bars and a supermarket. There is a weekly street market for local fresh produce and a quirky cave bar which is very popular. For those who enjoy walking or cycling this location is perfect and there are paths all along the river Segura as far as Orihuela in one direction and Guardamar beach in the other direction.

We highly recommend a viewing of this property which would make an ideal full time residence or a holiday home.
